Dear Livestock Exhibitor:

Welcome Back! Please take a few moments and review this important information as it will help you to thoroughly enjoy your fair experience as you exhibit your livestock at the Chautauqua County Fair.

NEW: Exhibitors will be required to clean out their pens prior to leaving the fair.

Highlights for 2022

- **NEW:** Ag & Markets have not made a decision regarding Poultry. Updates will be posted on the website.
- Beef Registration Papers must be submitted when making your Open Livestock Entry. See Rule 3 Change
- 840 RFID tags are mandatory for 2022 per Ag & Market Change
- Livestock Exhibitor photo id is \$5.00, located at the museum
- All Livestock Exhibitors must be 5 years of age when entering
- Please add your email address on the Livestock entry form
- Animal Removal Protocol for Livestock see department rules.

Once again, we will be charging the exhibitor's fee in addition to the class entry fee for the housing of livestock at the Chautauqua County Fair. This fee will be used to help defray the cost of sawdust, water, electricity, judge's fees, waste removal and awards. This fee will be assessed for all Open Class livestock only. The exhibitor fee for each department is listed on the entry form. The maximum exhibitor fee is \$25.00 regardless of how many animals an exhibitor may bring. This maximum fee is a one-time fee for all departments.

Each exhibitor will be assigned a show number with the exception of Poultry Department Exhibitors. This number will be used for all open competitive events during the week of fair. Your show number back tag will be available from your open barn superintendent in the first barn you will exhibit livestock from during the week. Please do not discard this back tag, you will use it for all your livestock shows. All entries are nonrefundable.

Initial sawdust will be supplied by the Chautauqua County fair for 2022. Exhibitors ARE responsible for providing any bedding for the duration of fair.

Entry Information

The entry deadline for livestock entries is Friday, July 1, 2022. Late entries will be accepted until Sunday, July 10, 2022. There will be a \$15.00 fee Per Animal assessed in addition to the regular entry and exhibitor's fees for all late entries. Absolutely no late entries will be accepted after Sunday, July 10, 2022. Postmarks will NOT be accepted for late entries. On time entries may be mailed or made at the fairground office during regular business hours. It is in your best interest to submit your entries AS SOON as possible. This will allow the Superintendents time to complete the stalling assignments .

The hours for Livestock Entry Clerk are as follows:

Saturday, June 19, 10am – 2pm

Friday, July 1, 10am -3pm {On time entry deadline}

Sunday, July 10, 10am-3pm {Late Entry deadline}

Contact Information for Livestock Entry Clerk:

Raylene Kwilos

Cell 716-498-8769

Home 716-988-3031

Photo I.D.

All exhibitors are required to have a photo id for daily admission onto the fairgrounds to care for and exhibit their livestock. The cost is \$5.00 per exhibitor to be paid when photo is taken at the museum on the fairgrounds. All 4-H exhibitors will receive their admission wristbands and parking pass through their 4-H County Program. The Open Exhibitor photos will be available during the following times:

Saturday, July 9, 10am-2pm

Saturday, July 16, 10am-2pm

Sunday, July 17, 10am-2pm

Little Creek Photography will be the Chautauqua County Fair official photographer this year. If you would like to have specific photographs taken at the fair contact Abbie Grzegorzewski, her home base will be in the Open Beef barn or contact her at 716-338-2894.

Your input is appreciated and helpful! Your survey for 2022 will be included with your premium check and your barn superintendents will have additional copies if needed. Please remember to cash your premium checks by the date indicated on your check.

NOTES:

NATIONAL CODE OF SHOW RING ETHICS IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS)

Exhibitors of animals at livestock shows shall at all times conduct themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event, which culminates with the animal entering the food chain, shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the chemical analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested (by the approved laboratory to which it is sent) is the one taken from the animal in question. Its integrity is preserved and all procedures of said collection and preservation transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise at any hearing in regard to the matter conducted by the fair or livestock show. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed veterinarian.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair, or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance, of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the fair or livestock show against such individuals published in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

ALL LIVESTOCK EXHIBITORS AT THE CHAUTAUQUA COUNTY FAIR MUST ABIDE BY THE IAFE CODE OF ETHICS AND INDICATE SAME BY THEIR SIGNATURE ON THE ENTRY FORM.

ANIMAL HEALTH REQUIREMENTS

Animal Health Requirements For Admission to New York State and County Fairs (Part 351 of NYS Agriculture and Markets Regulations) NYS Department of Agriculture and Markets/Division of Animal Industry 10B Airline Drive, Albany, NY 12235 518-457-3502 www.agriculture.ny.gov/animals

Contents • General Prohibitions and Requirements • Certificates of Veterinary Inspection • Animal Identification • Rabies Vaccination • BVD-PI Testing • Cleaning and Disinfection • Animal Deaths • Calving, Kidding, and Lambing • Commingling of Sheep and Cattle • Commingling of Swine and Poultry • Isolation on Returning Home • Individual Species Requirements: Horses, Cattle, Sheep, Goats, Swine, Llamas, Alpacas, Poultry, Deer/Elk, Miscellaneous Ruminants • Exhibitor Pre-fair Guidelines

General Prohibitions and Requirements

- No person shall bring or have present an animal on the fairgrounds during a fair which is not qualified under NYS regulations.
- No person shall present an interstate or intrastate certificate of veterinary inspection that has been altered by anyone other than the issuing veterinarian.
- Animals demonstrating clinical signs or other evidence of infectious, contagious or communicable diseases shall not be allowed on the fairgrounds during a fair.
- Representatives of the Commissioner may deny admission to, or require removal from, the fair premises or require the segregation of any animal showing signs of or exposed to any infectious, contagious or communicable disease. NOTE: The fair board of directors has the authority to reject unworthy or unsightly exhibits for reasons other than infectious, contagious or communicable disease (Part 350.10). The state veterinarian or animal health inspector will bring questionable exhibits to the attention of the fair board.

AI-202 (2022) • All animals presented that originate from a location other than New York shall meet all New York State importation regulations appropriate to the species in addition to the fair animal health requirements.

Certificates of Veterinary Inspection (CVI)

- Cattle, sheep, goats, swine, llamas, alpacas, deer, and misc. ruminants require a valid CVI to enter the fairgrounds.
- The CVI must be issued by a Category 2 accredited veterinarian.
- All animals must be officially identified. **ALL MANMADE ID MUST BE RECORDED.** Refer to Animal Identification section below for more information.
- Only one species is allowed per certificate.
- The type and duration of certificate required depends on the origin of the livestock.

New York Origin Livestock:

- A valid intrastate CVI (AI-61) is required.
- Each animal must be individually identified on the CVI (see below).
- The CVI must be issued on or after May 1 of the current year.

Out of State Origin Livestock:

- All animals entering New York State must satisfy import health and test requirements for that species and be accompanied by a valid interstate CVI.
- The interstate CVI is valid for 30 days from the date of CVI inspection. During the fair season (July 1 through Labor Day) valid CVI's can be used multiple times for entrance into fairs. The initial entrance into a NY fair must be within 30 days of the date of CVI inspection. In order for the CVI to be used for a later fair, it must be dated and initialed by a NY state official noting the location of the initial fair. A change in health status or eligibility of an animal necessitates the generation of a new CVI.

Questions regarding import requirements should be directed to the Division of Animal Industry at 518-457-3971, or at the division's import/export homepage: <https://agriculture.ny.gov/animals/animal-import-export>.

Animal Identification

- **ALL MANMADE ID MUST BE RECORDED**
- Cattle must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended.
- Sheep and goats must be identified by official scrapie identification (see sheep and goat sections below).
- Swine must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended. Nursing piglets do not have to be individually identified

if the sow is correctly identified on the CVI and the number of piglets in the litter is noted on the CVI. • Llamas and alpacas must be identified by official ear tag or microchip. • Misc. ruminants must be identified by unique ear tag or microchip. • A complete written description is sufficient identification for horses entering New York accompanied by a CVI. The description must match the EIA test record. Horse sketches and descriptions should reference color pattern, hair whorls, chestnuts, scars, and other markings as necessary to uniquely identify the horse. Tattoos and microchips if any should be included. "Bay, no markings" is not an acceptable description for a CVI or EIA test record.

AI-202 (2022) • NOTE: If you are exhibiting animals identified by microchip, a working reader must be supplied by the exhibitor. • For questions on animal identification please contact your veterinarian or our office at 518-457-3502.

Rabies Vaccination • Rabies vaccination is required for all species for which there is a USDA licensed vaccine available (cattle, horses, sheep, dog, cat, ferret) and that are 4 months of age or older on the date of admission to the fair. • For most rabies vaccines, the earliest age allowable for primary vaccination is 3 months. Animals that are vaccinated prior to 3 months of age will need to be re-vaccinated according to label before entering the fairgrounds. • Vaccine must have been administered within the past 12 months. The exception is Imrab LA vaccine used in sheep which protects for 3 years after the second annual vaccination (consult your veterinarian). • The rabies vaccination requirement must be met on the day of admission even if the animal was previously admitted to a fair when too young to vaccinate. • NOTE: Individual fairs can require animals for which there is no approved rabies vaccine to be vaccinated for rabies. The requirements outlined above would apply. The fair is responsible for notifying exhibitors. The New York State Fair requires rabies vaccination for all livestock species entering the grounds.

Acceptable Proof of Rabies Vaccination • Acceptable proof of rabies vaccination must include a signed written statement from the veterinarian administering the vaccine or a valid certificate of veterinary inspection that has the vaccination listed and is signed by the Category 2 accredited veterinarian. • Acceptable proof of rabies vaccination must include the name of the product used, the date of administration, and the duration of immunity if longer than one year. • If the statement of rabies vaccination is included on an EIA test record, it must be signed separately in addition to the required EIA test record signature. • NOTE: Rabies titers are not acceptable proof of rabies protection and cannot be used to meet entry requirements. • Acceptable proof of vaccination for dogs is a valid vaccination certificate or a copy of the dog license that contains the rabies vaccination information.

BVD-PI Testing • All cattle, llamas, and alpacas exhibited at NY county fairs or the State Fair must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The testing veterinarian is responsible to make sure the proper test is conducted. This is a once in a lifetime test that must be reported on the required certificate of veterinary inspection. The issuing veterinarian is responsible for verifying the validity of the test, the identification of the animal, and recording the test date on the CVI. If a previous test is not verifiable the test must be repeated.

Cleaning and Disinfection • All buildings on the fairgrounds housing animals must be cleaned and disinfected prior to the opening of the fair and between groups of animals when housing is rotated (Section 50.2 of Agriculture and Market regulations).

Animal Deaths • Occasionally animal deaths occur at a fair. If a death occurs it must be reported to the state veterinarian in charge as soon as possible for review. The animal must be promptly removed from the public exhibit area to a secure location and held for the veterinarian prior to disposal.

AI-202 (2022)

Calving, Kidding, and Lambing • Any cattle, goats, or sheep that calve, kid, or lamb while at a county fair or the State Fair will be ordered removed from the fairgrounds along with their offspring, unless the animals are part of a birthing demonstration.

Commingleing of Sheep and Cattle • Due to the potential spread of malignant catarrhal fever from sheep to cattle, it is strongly recommended that cattle be kept separate from sheep.

Commingleing of Swine and Poultry • Due to the potential spread of influenza virus, it is recommended that swine and poultry be housed in separate locations.

Isolation on Returning Home • The owner or custodian shall keep show animals biologically separate from the herd or flock for a period of at least two weeks after returning to the premises of origin. If any illness is noted in the exhibition animals, the owner should contact their veterinarian immediately.

Individual Species Requirements

Horses • Certificate of Veterinary Inspection (CVI) is not required for New York origin horses. CVI is required for imported horses. Extended Equine CVIs (EECVIs) are acceptable. For more information on EECVIs, visit <http://www.globalvetlink.com>. • Negative Equine Infectious Anemia (EIA) test is required for all horses 6 months of age or older. The horse must be accompanied by a valid negative EIA test record, signed by a Category 2 accredited veterinarian. The sample collection date for the qualifying EIA test must have been on or after January 1, 2021 for New York origin horses. For imported horses, the EIA test must have been conducted within 12 months prior to entry. The EIA test certificate must include a complete description of the horse. • Rabies vaccination within 12 months is required for all horses 4 months of age or older (see above).

Cattle • Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above. • Rabies vaccination is required for all cattle 4 months of age or older (see above). • All cattle must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The date and results of the testing must be noted on the certificate of veterinary inspection. • All cattle must be vaccinated against bovine respiratory disease complex including bovine respiratory syncytial virus, bovine virus diarrhea, infectious bovine rhinotracheitis and parainfluenza with a product administered in a manner and time frame adequate to confer protective immunity for these diseases for the duration of the fair.

Sheep • Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible USDA approved flock tattoo and individual animal ID number or 3) electronic implant device (microchip) if the sheep is AI-202 (2022) enrolled in the Scrapie Flock Certification Program. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824). • Rabies vaccination is required for all sheep 4 months of age or older (see above). • The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the flock of origin was inspected after May 1 of the current year and no evidence of contagious, infectious or communicable diseases was found. • If evidence of soremouth (contagious ecthyma) is found on any sheep, the entire exhibit including the affected animals shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Goats • Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible registration tattoo or 3) a legible USDA approved herd tattoo and individual animal ID number or 4) electronic implant device (microchip) if the goat is enrolled in the Scrapie Flock Certification Program and/or the electronic implant ID is

recorded on the goat's registration paper. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824). • The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the herd of origin was inspected after May 1 of the current year and no evidence of contagious, infectious or communicable diseases was found. • If evidence of soremouth (contagious ecthyma) is found on any goat, the entire exhibit including the affected animals shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Swine • Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.

Llamas and Alpacas • Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above. • All llamas and alpacas must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The date and results of the testing must be noted on the certificate of veterinary inspection.

Poultry • Poultry (with the exception of doves, pigeons and waterfowl) must be accompanied by 1) results of a negative pullorum typhoid test conducted within 90 days prior to exhibition OR 2) proof that the birds originated directly from a US pullorum-typhoid clean flock or equivalent flock. • Poultry qualified by 90-day test must be identified by official leg band. • Proof of NPIP status must be in the form of an NPIP certificate or purchase receipt containing NPIP certification information. If utilizing a receipt, it must be dated within 1 year of the date of admission to the fair.

Deer/Elk (Cervidae) • Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above. • Originate from a herd classified as accredited or qualified under USDA tuberculosis regulations. • A movement permit obtained from the Division of Animal Industry is required for all deer movements. All CWD and TB program requirements must be met before AI-202 (2022) a permit will be issued. Questions regarding movement permits should be directed to the Division of Animal Industry at 518-457-3502.

Miscellaneous Ruminants • Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.

Exhibitor Pre-fair Guidelines

Cattle, Sheep, Goats, Swine, Llamas and Alpacas, Cervids, Misc. Ruminants • Review the animal health requirements booklet including information for your species before your veterinarian arrives to inspect your animals. If you have any questions, ask. • Your veterinarian is responsible for inspecting your animals and completing the certificate of veterinary inspection (CVI). Call early to avoid the last-minute rush when mistakes are made and there is no time to correct. • Make sure USDA approved official ear tags are present on cattle and swine and USDA approved scrapie ID is in place on sheep and goats. • Llamas and alpacas require a microchip or ear tag. If a microchip is utilized make sure the veterinarian confirms the microchip ID or places one. If your animal is identified by a microchip, make sure you bring a working reader with you to the fair. • **ALL IDENTIFICATION MUST BE RECORDED.** Make sure it is. • Review the CVI carefully upon receipt to make sure all the information is correct including any required test or vaccination information. • **DO NOT** stuff it in an envelope and assume all is well. The time to correct is before pulling them out at the fair. The CVI is your document and you share responsibility if it is incorrect. • If you are importing livestock from out of state, make sure the interstate requirements are met and you have a valid interstate certificate of veterinary inspection.

Poultry • Schedule pullorum flock inspection and testing well ahead of the fair if your flock is participating in the NPIP program. • If you're having your birds tested within 90 days of the fair you must go to a pullorum clinic.

Available clinics are listed on the Dept. website. No individual testing is available if you miss a clinic. • Birds qualified by 90-day test must be identified by official leg band. • Bring documentation with you to the fair in the form of a 1) current NPIP certificate, 2) 90-day test chart or 3) purchase receipt with NPIP certification within 1 year of the date of admission to the fair.

AI-202 (2022) Horses • NY origin horses must be accompanied by a negative EIA test report. The date of sample collection for the qualifying EIA test must have been on or after January 1, 2020. • Imported horses must be accompanied by an interstate certificate of veterinary inspection with a negative EIA test within 12 months prior to entry. Rabies vaccination information can be incorporated into the CVI. • Drawing or photograph must match the horse. • Rabies vaccination must be within 1 year of arrival at the fair and be documented by a signed rabies certificate or a signed statement on the EIA test chart with the required information (see requirements).

MOST IMPORTANT When you are loading your livestock for the trip to the fair, take the time to examine them. Make sure they are the same animals that are on the paperwork and, if they are showing any signs of illness, **LEAVE THEM HOME.**

Dairy Cattle

Department 2

Open to Chautauqua County Herds Only

Cattle Superintendent: Patrick Sweatman Cell # 716-269-8686

Entry Deadline: July 1, 2022

Dairy Cattle Entry Fees: \$4.00 per class (including group classes)

Exhibitor Fee: \$3.00 per animal maximum \$25.00 for all Departments

Arrival: Sunday, July 17, 2022. Must be in place no later than 12:00 pm

Show: 9:00 am Wednesday, July 20, 2022. The show order will be based on breed.

Holsteins will be shown in their entirety, followed by Jersey, Guernsey, Ayrshire, Brown Swiss, Lineback and Other Dairy Breeds.

Release: 3:00 pm Sunday, July 24, 2022

General Dairy Rules:

1. An official Registration Certificate must be shown on each animal. These will be checked for identification, ownership and birth date. Entries in this department will be accepted only from bona fide owners of the cattle. All cattle must be owned by the individuals or farms exhibiting same and have been owned for 30 days before the day of the show. Where a herd is registered in the names of different members of a family, residing on one farm where the herd is a unit, all entries may be considered a single exhibitor. All owners must be listed on the entry form.
2. All bulls one (1) year old must be ringed.
3. The production premium will be given in cow classes based on the highest 305 M.E. milk record, except 2-year-old can use 90 day projected. Copies of production papers are requested with the entry forms, no later than July 1 if entering in a production class. ONLY DHI Official Papers Will Be Accepted.
4. Youth exhibitors may enter any animal in the Open Class Department. However, when entering in the open class, the youth must pay ALL appropriate fees, this includes the exhibitors fee, entry fees, and late fees if applicable.
5. The management assumes no responsibility in case of damage of stock or other exhibits from any cause; and upon this condition only, are exhibits received.
6. Substitutions within classes of individual animals will be allowed if reported to the Superintendent by 6:00 PM, Sunday prior to show.
7. Stall assignments will be done by the Superintendent. No changes in the barn layout unless approved by the Superintendent. Late entries will be accommodated in the best way possible if there is space.
8. The Superintendent will grant permission only for late arrival or early removal of animals being shown at a competing show which conflicts with above times. A letter from the upcoming show must be faxed to the fair office prior to receiving permission to leave early. Early removal must only be done after the show is complete. Early removal will result in forfeiture of premiums, unless Superintendent has granted permission to release animals. The decision of the judge shall be final in all cases, except where error, mistake, fraud, misrepresentation, or collusion, not discovered at the time of the award is proven. In such cases, the decision of the Superintendent, or such referee appointed shall be final.
9. No exhibitor shall receive more than two premiums in any one class.
10. All trailers MUST be parked on the track infield during the week of fair and NO trailers can line up for prior to 3PM on the Sunday of release. No exceptions.
11. **New:** Early Livestock removal must be approved by a vet and department Superintendent. Early Removal cases must be reported to the state vet prior to animal leaving the fairgrounds. Premiums will be forfeited and entry fees will not be refunded. The Superintendent will have a Form to complete with the exhibitor.

Dairy Protocol

1. Highly Recommended: All injections should be given to the animal while in the stall. Injections should be given discreetly to protect the wholesome image of the dairy industry.
2. Highly Recommended: All injections should be given in the neck area to meet the Beef Quality Assurance Standards.
3. Highly Recommended: Exhibitors bring their own teat dip and a permanently identified teat dipper, The Fair will continue to provide teat dip and generic teat dippers.
4. **REQUIRED:** Spray germicidal disinfectant into each teat cup after detaching unit from the animal. Fair will provide sprayer and disinfectant
5. Parlor Hours: Will be posted by the Superintendent. Bagging times will also be posted at the parlor.

SECTION A- HOLSTEIN
SECTION B- JERSEY

SECTION C- GUERNSEY
SECTION D- AYRSHIRE

SECTION E- BROWN SWISS
SECTION F- LINEBACKS
SECTION G- OTHER BREEDS

Class Numbers

1. **Junior Calf**- born between 3/1/22 and 5/1/22
 2. **Intermediate Heifer Calf**- born between 12/1/22 and 2/28/22
 3. **Senior Calf**- born between 9/1/21 and 11/30/21
 4. **Summer Yearling**- born between 6/1/21 and 8/31/21
 5. **Junior Yearling** (not in milk)- born between 3/1/21 and 5/31/21
 6. **Intermediate Senior Yearling** (not in milk)- born between 12/1/20 and 2/28/21
 7. **Senior Yearling**- born between 9/1/20 and 11/30/20
 8. **Champion ***
 9. **Reserve Champion Junior Female ***
 10. **Junior Best 3 Females**- All bred and 1 owned by exhibitor
 11. **Junior 2-year-old** (in milk)- born between 3/1/20 and 8/31/20
 12. **Senior 2-year old** (in milk)- born between 9/1/19 and 2/28/20
 13. **Junior 3-year old** (in milk)- born between 3/1/19 and 8/31/19
 14. **Senior 3-year old** (in milk)- born between 9/1/18 and 2/28/19
 15. **4 year Old** (in milk)- born between 9/1/17 and 8/31/18
 16. **5 year old** (in milk)- born between 9/1/16 and 8/31/17
 17. **Aged Cow**- born before 9/1/16
 18. **100,000 Pound Cow**- Proof of actual production must be presented show day. Official DHI Papers Only.
 19. **Dry 3 and 4 year Old Cow**- born between 9/1/17 and 8/31/19
 20. **Dry Aged Cow**- Born before 9/1/17

BEEF CATTLE**Department 3****Superintendent: Debbie Grzegorzewski Cell 716-338-2892****Entry Deadline: July 1, 2022****Beef Cattle Entry Fees: \$4.00 per class (including group classes)****Exhibitor Fee: \$3.00 per animal maximum \$25.00 for all Departments****Arrival: Sunday, July 17, 2022. Must be in place no later than 12:00 pm****Show: 8:00 am Monday, July 18, 2022****Release: 3:00 pm Sunday, July 24, 2022****General Cattle Rules:**

1. An official Registration Certificate must be shown on each animal except for Section G and Section H. **A copy of the registration papers must be included with your entry form.** These will be checked for identification, ownership and birth date. All cattle shown in group classes must be registered or will be shown in the Crossbred Division. Entries in this department will be accepted only from bona fide owners of the cattle. All cattle must be owned by the individuals or farms exhibiting same and have been owned for 30 days before the day of the show. Where a herd is registered in the names of different members of a family, residing on one farm where the herd is a unit, all entries may be considered a single exhibitor. All owners must be listed on the entry form.
2. All breeds in Section F will show together. However, in the event there is enough of a particular breed to warrant a breed show, breed classes will be created at that time. This will be at the discretion of the Cattle Superintendent. All breeds will show under the same rules, classes and premiums.
3. If there are 2 or less exhibitors in any breed or **less than 6 animals** in that same registered breed regardless of the number of exhibitors, that breed will show in Section F- Other Registered Breeds/AOB at the discretion of show management.
4. All bulls one (1) year old must be ringed.
5. Youth exhibitors may enter any animal in the Open Class Department. However, when entering in the open class, the youth must pay ALL appropriate fees, this includes the exhibitors fee, entry fees, and late fees if applicable.
6. The management assumes no responsibility in case of damage of stock or other exhibits from any cause; and upon this condition only, are exhibits received.
7. Substitutions within classes of individual animals will be allowed if reported to the Superintendent by 6:00 PM, Sunday prior to show.
8. Stall assignments will be done by the Superintendent. No changes in the barn layout unless approved by the Superintendent. Late entries will be accommodated in the best way possible if there is space.
9. The Superintendent will grant permission only for late arrival or early removal of animals being shown at a competing show which conflicts with above times. A letter from the upcoming show must be faxed to the fair office prior to receiving permission to leave early. Early removal must only be done after the show is complete. Early removal will result in forfeiture of premiums, unless Superintendent has granted permission to release animals. The decision of the judge shall be final in all cases, except where error, mistake, fraud, misrepresentation, or collusion, not discovered at the time of the award is proven. In such cases, the decision of the Superintendent, or such referee appointed shall be final.
10. No exhibitor shall receive more than two premiums in any one class.
11. All trailers **MUST** be parked on the track infield during the week of fair and **NO** trailers can line up prior to 3PM on the Sunday of release. No exceptions.
12. **New:** Early Livestock removal must be approved by a vet and department Superintendent. Early Removal cases must be reported to the state vet prior to animal leaving the fairgrounds. Premiums will be forfeited and entry fees will not be refunded. The Superintendent will have a Form to complete with the exhibitor.

Show: 4:00 PM Tuesday, July 19, 2022

Release: 3:00 pm Sunday, July 24, 2022

General Sheep Rules

1. Please specify the number of 4' x 5' pens needed on the Entry Form
2. Wool breeds need not be shorn. Show blankets must be removed after the Wednesday 4-H evening show.
3. Each exhibitor shall present a health certificate signed by an accredited veterinarian indicating that his/her flock is free of all contagious and infectious diseases and is not under quarantine. All sheep will be inspected and any sheep exhibiting evidence of contagious diseases, internal or external parasites, or in generally unthrifty condition will be sent home immediately.
4. An official Registration Certificate must be shown on each animal. These will be checked for identification, ownership and birth date. Entries in this department will be accepted only from bona fide owners of the sheep. All sheep must be owned by the individuals or farms exhibiting same and have been owned for 30 days before the day of the show. Where a flock is registered in the names of different members of a family, residing on one farm where the flock is a unit, all entries may be considered a single exhibitor. All owners must be listed on the entry form. Registered entries must carry the registration tag of their breed association in their ear.
5. Youth exhibitors may enter any animal in the Open Class Department. However, when entering in the open class, the youth must pay ALL appropriate fees, this includes the exhibitors fee, entry fees, and late fees if applicable.
6. The management assumes no responsibility in case of damage of stock or other exhibits from any cause; and upon this condition only, are exhibits received.
7. Substitutions within classes of individual animals will be allowed if reported to the Superintendent by 6:00 PM, Sunday prior to show.
8. Stall assignments will be done by the Superintendent. No changes in the barn layout unless approved by the Superintendent. Late entries will be accommodated in the best way possible if there is space. The fair reserves the right to refuse any entries due to a lack of facilities. Preference will be given to members of Chautauqua Area Sheep Breeders.
9. The Superintendent will grant permission only for late arrival or early removal of animals being shown at a competing show which conflicts with above times. A letter from the upcoming show must be faxed to the fair office prior to receiving permission to leave early. Early removal must only be done after the show is complete. Early removal will result in forfeiture of premiums, unless Superintendent has granted permission to release animals. The decision of the judge shall be final in all cases, except where error, mistake, fraud, misrepresentation, or collusion, not discovered at the time of the award is proven. In such cases, the decision of the Superintendent, or such referee appointed shall be final.
10. No exhibitor may have more than two entries in any class. Limit 2 market class animals per exhibitor. No exhibitor shall receive more than two premiums in any one class.
11. All trailers MUST be parked on the track infield during the week of fair and NO trailers can line up prior to 3PM on the Sunday of release. No Exceptions.
12. Early Livestock removal must be approved by a vet and department Superintendent. Early Removal cases must be reported to the state vet prior to animal leaving the fairgrounds. Premiums will be forfeited and entry fees will not be refunded. The Superintendent will have a Form to complete with the exhibitor.
13. Only registered animals will be brought back for overall champion.
