Dear Livestock Exhibitor:

Welcome Back! Please take a few moments and review this important information as it will help you to thoroughly enjoy your fair experience as you exhibit your livestock at the Chautauqua County Fair.

While going through this years' fair book please take note that we have a new open fair clerk. My name is Cassandra (Cassie) and I am a longtime Chautauqua County agriculture enthusiast. In addition to attempting to fill the large shoes left behind by Raylene as your new open clerk I also am a Chautauqua County 4-H alumni and volunteer and participate on Chautauqua County's Farm Bureau Board of Directors. I am extremely honored and thrilled to take on this new opportunity and hope that we hall have an amazing 2024 fair season. Please note the updated contact information and office hours further down. Thank you!

**Highlights for 2024**

- **NEW: Ag & Markets have not made a decision regarding Poultry. Updates will be posted on the website.**
- Beef Registration Papers must be submitted when making your Open Livestock Entry. See Rule 3 Change
- 840 RFID tags are strongly encouraged for 2024
- Livestock Exhibitor photo id is \$5.00, located at the museum. See photo ID section for hours.
- All Livestock Exhibitors must be 5 years of age when entering
- Please add your email address on the Livestock entry form
- Animal Removal Protocol for Livestock see department rules.
- **All animal pens must be stripped before leaving fairgrounds**

Once again, we will be charging the exhibitor's fee in addition to the class entry fee for the housing of livestock at the Chautauqua County Fair. This fee will be used to help defray the cost of sawdust, water, electricity, judge's fees, waste removal and awards. This fee will be assessed for all Open Class livestock only. The exhibitor fee for each department is listed on the entry form. The maximum exhibitor fee is \$25.00 regardless of how many animals an exhibitor may bring. This maximum fee is a one-time fee for all departments.

Each exhibitor will be assigned a show number with the exception of Poultry & Rabbit Departments Exhibitors. This number will be used for all open competitive events during the week of fair. Your show number back tag will be available from your open barn superintendent in the first barn you will exhibit livestock from during the week. Please do not discard this back tag, you will use it for all your livestock shows. All entries are nonrefundable.

Initial sawdust will be supplied by the Chautauqua County fair for 2024. Exhibitors ARE responsible for providing any bedding for the duration of fair.

**Entry Information**

The entry deadline for livestock entries is Monday, July 1, 2024. Late entries will be accepted until Wednesday, July 10, 2024. There will be a \$15.00 fee Per Animal assessed in addition to the regular entry and exhibitor's fees for all late entries. Absolutely no late entries will be accepted after Wednesday, July 10, 2024. Postmarks will NOT be accepted for late entries. On time entries may be mailed or made at the fairground office during regular business

All exhibitors are required to have a photo id for daily admission onto the fairgrounds to care for and exhibit their livestock. The cost is \$5.00 per exhibitor to be paid when photo is taken at the museum on the fairgrounds. All 4-H exhibitors will receive their admission wristbands and parking pass through their 4-H County Program. The Open Exhibitor photos will be available during the following times:

Saturday, July 13, 10am-2pm

Sunday, July 14, 10am-2pm

**Your input is appreciated and helpful! Your survey for 2024 will be included with your premium check and your barn superintendents will have additional copies if needed. Please remember to cash your premium checks by the date indicated on your check. Checks will not be reissued.**

## ASSOCIATION OF FAIRS AND EXPOSITIONS

Exhibitors of animals at livestock shows shall at all times conduct themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event, which culminates with the animal entering the food chain, shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the chemical analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested (by the approved laboratory to which it is sent) is the one taken from the animal in question. Its integrity is preserved and all procedures of said collection and preservation transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise at any hearing in regard to the matter conducted by the fair or livestock show. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed veterinarian.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

## 2024 Chautauqua County Fair Exhibitors Handbook

6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair, or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation, and respect and no person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the fair or livestock show against such individuals published in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

**ALL LIVESTOCK EXHIBITORS AT THE CHAUTAUQUA COUNTY FAIR MUST ABIDE BY THE IAFE CODE OF ETHICS AND INDICATE SAME BY THEIR SIGNATURE ON THE ENTRY FORM.**

- Exhibitor Pre-fair Guidelines General Prohibitions and Requirements
- No person shall bring or have present an animal on the fairgrounds for any reason (show, exhibit, raffle, demonstration, display) during a fair which is not qualified under NYS regulations.
- Any animal which is subject to inspection upon entry to the fairgrounds will be inspected without covering (wraps, coats, head gear, etc.).
- No person shall present an interstate or intrastate certificate of veterinary inspection that has been altered by anyone other than the issuing veterinarian.
- Animals demonstrating clinical signs or other evidence of infectious, contagious, or communicable diseases shall not be allowed on the fairgrounds during a fair.
- Representatives of the Commissioner may deny admission to, or require removal from, the fair premises or require the segregation of any animal showing signs of, or exposed to, any infectious, contagious, or communicable disease.

NOTE: The fair board of directors has the authority to reject unworthy or unsightly exhibits for reasons other than infectious, contagious, or communicable disease 2 AI-202 (2024) (Part 350.10). The state veterinarian or animal health inspector will bring questionable exhibits to the attention of the fair board.

- All animals presented that originate from a location other than New York shall meet all New York State importation regulations appropriate to the species in addition to the fair animal health requirements.
- Certificates of Veterinary Inspection (CVI)
- Cattle, sheep, goats, swine, llamas, alpacas, deer, and misc. ruminants require a valid CVI to enter the fairgrounds.

- The CVI must be issued by a Category 2 accredited veterinarian. Wet ink signatures for paper CVIs or e-signature for eCVIs are acceptable.
- A physical CVI must be available to inspection staff for date and approval at time of inspection. This may be a printout of an eCVI or owner's copy of a paper CVI.
- All animals must be officially identified. ALL MANMADE ID MUST BE RECORDED. Refer to Animal Identification section below for more information.
- Only one species is allowed per certificate.
- The type and duration of certificate required depends on the origin of the livestock. New York Origin Livestock:
  - A valid intrastate CVI (AI-61) is required.
  - Each animal must be individually identified on the CVI (see below).
  - The CVI must be issued on or after May 1 of the current year. Out of State Origin Livestock: • All animals entering New York State must satisfy import health and test requirements for that species and be accompanied by a valid interstate CVI.
  - An e-CVI may be issued but a paper copy of the e-CVI is required for the animal check-in process.
  - The interstate CVI is valid for 30 days from the date of CVI inspection. During the fair season (July 1 through Labor Day) valid CVI's can be used multiple times for entrance into fairs. The initial entrance into a NY fair must be within 30 days of the date of CVI inspection. In order for the CVI to be used for a later fair, it must be dated and initialed by a NYS Agriculture and Markets official noting the location of the initial fair. A change in health status or eligibility of an animal necessitates the generation of a new CVI. Questions regarding import requirements should be directed to the Division of Animal Industry at 518-457-3971, or at the division's import/export homepage: <https://agriculture.ny.gov/animals/animal-import-export> Animal Identification
    - ALL MANMADE ID MUST BE RECORDED
    - Cattle must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended.
    - Sheep and goats must be identified by official scrapie identification (see sheep and goat sections below).
      - Swine must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended. Nursing piglets originating within NYS do not have to be individually identified if the sow is correctly identified on the CVI and the number of piglets in the litter is noted on the CVI. Nursing piglets from out of state will need official ID (see swine section). 3 AI-202 (2024)
    - Llamas and alpacas must be identified by official ear tag or microchip.
    - Misc. ruminants must be identified by unique ear tag or microchip.
    - A complete written description is sufficient identification for horses entering New York accompanied by a CVI. The description must match the EIA test record. Horse sketches and descriptions should reference color pattern, hair whorls, chestnuts, scars, and other markings as necessary to uniquely identify the horse. Tattoos and microchips if any should be included. "Bay, no markings" is not an acceptable description for a CVI or EIA test record.
    - NOTE: If you are exhibiting animals identified by microchip, a working reader must be supplied by the exhibitor.
      - For questions on animal identification please contact your veterinarian or our office at 518-457-3502.
- Rabies Vaccination
  - Rabies vaccination is required for all species for which there is a USDA licensed vaccine available (cattle, horses, sheep, dog, cat, ferret) and that are 4 months of age or older on the date of admission to the fair. o For most rabies vaccines, the earliest age allowable for primary vaccination is 3 months (12

weeks). Animals that are vaccinated prior to 84 days of age will need to be re-vaccinated according to label before entering the fairgrounds.

- Vaccine must have been administered within the past 12 months. The exception is Imrab LA vaccine used in sheep which protects for 3 years after the second annual vaccination (consult your veterinarian).
- The rabies vaccination requirement must be met on the day of admission even if the animal was previously admitted to a fair when too young to vaccinate.
- NOTE: Individual fairs can require animals for which there is no approved rabies vaccine to be vaccinated for rabies. The requirements outlined above would apply. The fair is responsible for notifying exhibitors. The New York State Fair requires rabies vaccination for all livestock species entering the grounds. Acceptable Proof of Rabies Vaccination
  - Acceptable proof of rabies vaccination must include a signed written statement from the veterinarian administering the vaccine or a valid certificate of veterinary inspection that has the vaccination listed and is signed by the Category 2 accredited veterinarian.
  - Acceptable proof of rabies vaccination must include the name of the product used, the date of administration, and the duration of immunity if longer than one year (sheep only).
  - If the statement of rabies vaccination is included on a paper EIA test record, the test record must be signed certifying vaccination in addition to the required signature for the EIA test record.
  - If the statement of rabies vaccination is electronically entered into an eEIA test record, only one electronic signature is required.
  - NOTE: Rabies titers are not acceptable proof of rabies protection and cannot be used to meet entry requirements.
- Acceptable proof of vaccination for dogs is a valid vaccination certificate or a copy of the dog license that contains the rabies vaccination information. BVD-PI Testing
  - All cattle, llamas, and alpacas exhibited at NY county fairs, or the State Fair must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). Official ID must be in the animal prior to sampling. 4 AI-202 (2024) The testing veterinarian is responsible to make sure the proper test is conducted. This is a once in a lifetime test that must be reported on the required certificate of veterinary inspection. The issuing veterinarian is responsible for verifying the validity of the test, official identification of the animal, and recording the test date on the CVI. If a previous test is not verifiable, the test must be repeated. Cleaning and Disinfection
    - All buildings on the fairgrounds housing animals must be cleaned and disinfected prior to the opening of the fair and between groups of animals when housing is rotated (Section 50.2 of Agriculture and Market regulations). Animal Deaths
      - Occasionally animal deaths occur at a fair. If a death occurs, it must be reported to the state veterinarian in charge as soon as possible for review. The animal must be promptly removed from the public exhibit area to a secure location and held for the veterinarian prior to disposal. Calving, Kidding, and Lambing
        - Any cattle, goats, or sheep that calve, kid, or lamb while at a county fair or the State Fair will be ordered removed from the fairgrounds along with their offspring, unless the animals are part of a birthing demonstration. Commingling of Sheep and Cattle
          - Due to the potential spread of malignant catarrhal fever from sheep to cattle, it is strongly recommended that cattle be kept separate from sheep. Commingling of Swine and Poultry
            - Due to the potential spread of influenza virus, it is recommended that swine and poultry be housed in separate locations. Isolation on Returning Home
              - The owner or custodian shall keep show animals biologically separate from the herd or flock for a period of at least two weeks after returning to the premises of origin. If any illness is noted in the exhibition animals, the owner should contact their veterinarian immediately.

## Individual Species Requirements

### Horses

- Certificate of Veterinary Inspection (CVI) is not required for New York origin horses. CVI is required for imported horses. Extended Equine CVIs (EECVIs) are acceptable. For more information on EECVIs, visit <http://www.globalvetlink.com>.
- Negative Equine Infectious Anemia (EIA) test is required for all horses 6 months of age or older. The horse must be accompanied by a valid negative EIA test record, signed by a Category 2 accredited veterinarian. The sample collection date for the qualifying EIA test must have been on or after January 1, 2023, for New York origin horses. For imported horses, the EIA test must have been conducted within 12 months prior to entry. The EIA test certificate must include a complete description of the horse. 5 AI-202 (2024)
- Rabies vaccination within 12 months is required for all horses 4 months of age or older (see above).

### Cattle

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- Rabies vaccination is required for all cattle 4 months of age or older (see above). • All cattle must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The existing, official identification, date and results of the testing must be noted on the certificate of veterinary inspection.
- All cattle must be vaccinated against bovine respiratory disease complex including bovine respiratory syncytial virus, bovine virus diarrhea, infectious bovine rhinotracheitis and parainfluenza with an age appropriate- product administered in a manner and time frame adequate to confer protective immunity for these diseases for the duration of the fair. The date and vaccine product should be documented.

### Sheep

- Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible USDA approved registration tattoo or 3) a legible USDA approved flock tattoo and individual animal ID number or 4) electronic implant device (microchip) if the sheep is enrolled in the Scrapie Flock Certification Program, and/or the electronic implant ID is recorded on the sheep's registration paper. ET tattoo in the ear or tail web. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824).
- Rabies vaccination is required for all sheep 4 months of age or older (see above).
- The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the flock of origin was inspected after May 1 of the current year and no evidence of contagious, infectious, or communicable diseases was found.
- If evidence of sore mouth (contagious ecthyma) is found on any sheep, the entire exhibit including the affected animals (and any small ruminants from any other flock on the same conveyance to the fairgrounds) shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

### Goats

- Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible USDA approved registration tattoo or 3) a legible USDA approved herd tattoo and individual animal ID number or 4) electronic implant device (microchip) if the goat is enrolled in the Scrapie Flock Certification

Program and/or the electronic implant ID is recorded on the goat's registration paper. ET tattoo in the ear or tail web. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824).

- The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the herd of origin was inspected after May 1 of the current year and no evidence of contagious, infectious, or communicable diseases was found.
- If evidence of sore mouth (contagious ecthyma) is found on any goat, the entire exhibit including the affected animals (and any small ruminants from any other flock on the same conveyance to the fairgrounds) shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal. 6 AI-202 (2024)

#### Swine

- Certificate of Veterinary Inspection with animals properly identified. Out of state nursing piglets need official identification along with the sow. See Animal Identification section above.

#### Llamas and Alpacas

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- All llamas and alpacas must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The existing, official identification, date and results of the testing must be noted on the certificate of veterinary inspection.

#### Poultry

- Poultry (with the exception of doves, pigeons, and waterfowl) must be accompanied by 1) results of a negative pullorum typhoid test conducted within 90 days prior to exhibition OR 2) proof that the birds originated directly from a US pullorum-typhoid clean flock or equivalent flock.
- Poultry qualified by 90-day test must be identified by official leg band.
- Proof of NPIP status must be in the form of an NPIP certificate or purchase receipt containing NPIP certification information. If utilizing a receipt, it must be dated within 1 year of the date of admission to the fair.

#### Deer/Elk (Cervidae)

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- Originate from a herd classified as accredited or qualified under USDA tuberculosis regulations.
- A movement permit obtained from the Division of Animal Industry is required for all deer movements. All CWD and TB program requirements must be met before a permit will be issued. Questions regarding movement permits should be directed to the Division of Animal Industry at 518-457-3502.

#### Miscellaneous Ruminants

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above. Exhibitor Pre-fair Guidelines Cattle, Sheep, Goats, Swine, Llamas, and Alpacas, Cervids, Misc. Ruminants
- Review the animal health requirements booklet including information for your species before your veterinarian arrives to inspect your animals. If you have any questions, ask.
- Your veterinarian is responsible for inspecting your animals and completing the certificate of veterinary inspection (CVI). Call early to avoid the last-minute rush when mistakes are made and there is no time to correct.

- Make sure USDA approved official ear tags are present on cattle and swine and USDA approved scrapie ID is in place on sheep and goats. Official ID must be applied to animals prior to regulatory testing and completion of the CVI. 7 AI-202 (2024)
- Llamas and alpacas require a microchip or ear tag. If a microchip is utilized make sure the veterinarian confirms the microchip ID or places one. If your animal is identified by a microchip, make sure you bring a working reader with you to the fair.
- ALL IDENTIFICATION MUST BE RECORDED. Make sure it is.
- Review the CVI carefully upon receipt to make sure all the information is correct including any required test or vaccination information.
- DO NOT stuff it in an envelope and assume all is well. The time to correct is before pulling them out at the fair. The CVI is your document, and you share responsibility if it is incorrect.
- If you are importing livestock from out of state, make sure the interstate requirements are met and you have a valid interstate certificate of veterinary inspection.

### Poultry

- If your flock is participating in the NPIP program, schedule pullorum flock inspection and testing well ahead of the fair.
- If you're having your birds tested within 90 days of the fair, you must go to a pullorum clinic. Available clinics are listed on the Dept. website. No individual testing is available if you miss a clinic.
  - Birds qualified by 90-day test must be identified by official leg band.
- Bring documentation with you to the fair in the form of a 1) current NPIP certificate, 2) 90-day test chart or 3) purchase receipt with NPIP certification within 1 year of the date of admission to the fair.

### Horses

- NY origin horses must be accompanied by a negative EIA test report. The date of sample collection for the qualifying EIA test must have been on or after January 1, 2023.
- Imported horses (out of state origin) must be accompanied by an interstate certificate of veterinary inspection with a negative EIA test within 12 months prior to entry. Rabies vaccination information can be incorporated into the CVI.
- Drawing or photograph must match the horse.
- Rabies vaccination must be within 1 year of arrival at the fair and be documented by a signed rabies certificate or a signed statement on the EIA test chart with the required information (see requirements). **MOST IMPORTANT** When you are loading your livestock for the trip to the fair, take the time to examine them. Make sure they are the same animals that are on the paperwork and official ID is present and legible. If they are showing any signs of illness, LEAVE THEM HOME.

## Dairy Cattle

### Department 2

#### Open to Chautauqua County Herds Only

**Cattle Superintendent: Patrick Sweatman Cell # 716-269-8686**

**Entry Deadline: July 1, 2024**

**Dairy Cattle Entry Fees: \$4.00 per class (including group classes)**

**Exhibitor Fee: \$3.00 per animal maximum \$25.00 for all Departments**

**Arrival: Sunday, July 14, 2024. Must be in place no later than 12:00 pm**

**Show: 9:00 am Wednesday, July 17, 2024. The show order will be based on breed.**

**Holsteins will be shown in their entirety, followed by Jersey, Guernsey, Ayrshire, Brown Swiss, Lineback and Other Dairy Breeds.**

**Release: 3:00 pm Sunday, July 21, 2024**

#### **General Dairy Rules:**

1. An official Registration Certificate must be shown on each animal. These will be checked for identification, ownership and birth date. Entries in this department will be accepted only from bona fide owners of the cattle. All cattle must be owned by the individuals or farms exhibiting same and have been owned for 30 days before the day of the show. Where a herd is registered in the names of different members of a family, residing on one farm where the herd is a unit, all entries may be considered a single exhibitor. All owners must be listed on the entry form.
2. All junior calves must have rabies vaccination and be born between 3/1/24 and 4/29/24.
3. The production premium will be given in cow classes based on the highest 305 M.E. milk record, except 2-year-old can use 90 day projected. Copies of production papers are requested with the entry forms, no later than July 1 if entering in a production class. ONLY DHI Official Papers Will Be Accepted.
4. Youth exhibitors may enter any animal in the Open Class Department. However, when entering in the open class, the youth must pay ALL appropriate fees, this includes the exhibitors fee, entry fees, and late fees if applicable.
5. The management assumes no responsibility in case of damage of stock or other exhibits from any cause; and upon this condition only, are exhibits received.
6. Substitutions within classes of individual animals will be allowed if reported to the Superintendent by 6:00 PM, Sunday prior to show.
7. Stall assignments will be done by the Superintendent. No changes in the barn layout unless approved by the Superintendent. Late entries will be accommodated in the best way possible if there is space.
8. The Superintendent will grant permission only for late arrival or early removal of animals being shown at a competing show which conflicts with above times. A letter from the upcoming show must be faxed to the fair office prior to receiving permission to leave early. Early removal must only be done after the show is complete. Early removal will result in forfeiture of premiums, unless Superintendent has granted permission to release animals. The decision of the judge shall be final in all cases, except where error, mistake, fraud, misrepresentation, or collusion, not discovered at the time of the award is proven. In such cases, the decision of the Superintendent, or such referee appointed shall be final.

Show: 10:00 am Monday, July 15, 2024

Release: 3:00 pm Sunday, July 21, 2024

#### General Cattle Rules:

1. An official Registration Certificate must be shown on each animal except for Section G and Section H. **A copy of the registration papers must be included with your entry form.** These will be checked for identification, ownership and birth date. All cattle shown in group classes must be registered or will be shown in the Crossbred Division. Entries in this department will be accepted only from bona fide owners of the cattle. All cattle must be owned by the individuals or farms exhibiting same and have been owned for 30 days before the day of the show. Where a herd is registered in the names of different members of a family, residing on one farm where the herd is a unit, all entries may be considered a single exhibitor. All owners must be listed on the entry form.
2. All breeds in Section F will show together. However, in the event there is enough of a particular breed to warrant a breed show, breed classes will be created at that time. This will be at the discretion of the Cattle Superintendent. All breeds will show under the same rules, classes and premiums.
3. If there are 2 or less exhibitors in any breed or **less than 6 animals** in that same registered breed regardless of the number of exhibitors, that breed will show in Section F- Other Registered Breeds/AOB at the discretion of show management.
4. Youth exhibitors may enter any animal in the Open Class Department. However, when entering in the open class, the youth must pay ALL appropriate fees, this includes the exhibitors fee, entry fees, and late fees if applicable.
5. The management assumes no responsibility in case of damage of stock or other exhibits from any cause; and upon this condition only, are exhibits received.
6. Substitutions within classes of individual animals will be allowed if reported to the Superintendent by 6:00 PM, Sunday prior to show.
7. Stall assignments will be done by the Superintendent. No changes in the barn layout unless approved by the Superintendent. Late entries will be accommodated in the best way possible if there is space.
8. The Superintendent will grant permission only for late arrival or early removal of animals being shown at a competing show which conflicts with above times. A letter from the upcoming show must be faxed to the fair office prior to receiving permission to leave early. Early removal must only be done after the show is complete. Early removal will result in forfeiture of premiums, unless Superintendent has granted permission to release animals. The decision of the judge shall be final in all cases, except where error, mistake, fraud, misrepresentation, or collusion, not discovered at the time of the award is proven. In such cases, the decision of the Superintendent, or such referee appointed shall be final.
9. No exhibitor shall receive more than two premiums in any one class.
10. All trailers MUST be parked BEHIND CAMPING AREA during the week of fair and NO trailers can line up prior to 3PM on the Sunday of release. No exceptions. There will be absolutely NO trailers on the track infield.
11. Early Livestock removal must be approved by a vet and department Superintendent. Early Removal cases must be reported to the state vet prior to animal leaving the fairgrounds. Premiums will be forfeited and entry fees will not be refunded. The Superintendent will have a Form to complete with the exhibitor.

7. Cage assignments will be done by the Superintendent. No changes in the barn layout unless approved by the Superintendent. Late entries will be accommodated in the best way possible if there is space. Feed and water will not be supplied.
8. The Superintendent will grant permission only for late arrival or early removal of animals being shown at a competing show which conflicts with above times. A letter from the upcoming show must be faxed to the fair office prior to receiving permission to leave early. Early removal must only be done after the show is complete. Early removal will result in forfeiture of premiums, unless Superintendent has granted permission to release animals. The decision of the judge shall be final in all cases, except where error, mistake, fraud, misrepresentation, or collusion, not discovered at the time of the award is proven. In such cases, the decision of the Superintendent, or such referee appointed shall be final.
9. No exhibitor shall receive more than two premiums in any one class.
10. Competition is open to residents of Chautauqua, Cattaraugus and Erie Counties also the members of Chautauqua County Fancier Association in good standing.
11. The decision of the judge will be final in all cases, except where fraud, mistake, misrepresentation or collusion, not discovered at the time of the award is proven. In such cases the decision of the Superintendent or such referee appointed shall be final. The judge will be governed by the latest American Standard of Perfection.
12. All exhibitors of poultry except Waterfowl and pigeons need to provide documentation that birds have originated from the U.S. Only the breeds and varieties listed will be accepted. In most cases, there are AOC and AOV listed. **Pullorum Testing is required for NY State Poultry this year Contact [www.agriculture.ny.gov](http://www.agriculture.ny.gov) with any questions.**
13. Early Livestock removal must be approved by a vet and department Superintendent. Early Removal cases must be reported to the state vet prior to animal leaving the fairgrounds. Premiums will be forfeited and entry fees will not be refunded. The Superintendent will have a Form to complete with the exhibitor.
14. **All poultry and fowl must be physically checked in with Superintendent BEFORE being placed in cage.**

**Show:** Wednesday, July 17<sup>th</sup>, 2024 10:00 am

**Release:** Sunday, July 21<sup>st</sup>, 2024 3:00pm

### General Rabbit Rules:

1. ARBA Rules and Regulations will be followed and enforced. More information can be found at: arba.net.
2. To promote continued improvement of the species, we encourage displays of quality rabbits consisting of breeds recognized by the American Rabbit Breeders Association (ARBA). All rabbits must be in good health and owned by the exhibitor for 30 days prior to the fair. You do not need to be an ARBA member to participate, but membership is encouraged.
3. Rabbits do not need to be pedigreed, but do have to be purebred and tattooed.
4. All entries will be subject to coop availability and will be accepted on a first come, first serve basis.
5. All rabbits entered in a breed class must have a permanent and legible ear tattoo.
6. All rabbits are to be judged according to the latest ARBA Standard of Perfection.
7. All standard breed entries must include: class, breed, and ear number. Please list color/variety under description.
8. PLEASE trim nails before bringing to the fair.
9. All rabbits must be in place by 12:00 noon on Sunday July 14, 2024. All rabbits must be checked in by the rabbit barn superintendent. If not checked in, they cannot be in the barn. The check in serves as a safety measure and also ensures they are placed into their assigned coops. You are NOT permitted to change coop assignments.
10. You are required to stay until the check in process is complete because any rabbits showing signs of parasites or sickness will be sent back home with you.
11. Rabbits will be released at 3pm on Sunday, the last day of the fair, NONE WILL BE RELEASED EARLIER. This also applies to rabbits purchased by non-exhibitors. Removal before 3pm will result in forfeiture of any and all premiums. ALL rabbits must be removed from the barn by 6pm Sunday night.
12. Stall cards are required to be filled out and displayed. Display decorations are HIGHLY encouraged.
13. Youth exhibitors are permitted and encouraged to enter any purebred 4-H rabbits in the open show but are responsible for any open fees incurred.
14. ANY animal dismissed by the state vet is NOT permitted to return to the barn
15. No food/water dishes will be provided nor food/hay. Please plan accordingly. If you are unable to tend to your rabbits please coordinate with the superintendent.
16. Substitutions of animals will be allowed with prior approval of the superintendent.
17. The decision of the judge will be final in all cases, except where fraud, mistake, misrepresentation or collusion, not discovered at the time of the award is proven. In such cases the decision of the Superintendent or such referee appointed shall be final. The judge will be governed by the latest American Standard of Perfection.
